RE: December 9, 2008, Meeting Room Change

The New Legislator Orientation meeting is scheduled for December 9, 2008, which includes spouses so it is a much larger group than our Committee. Thus, we are changing our meeting room so the New Legislator Orientation meeting can occur in the largest meeting room in the Capitol. Our meeting on December 9, 2008, beginning at 10 a.m. will now take place in the **Supreme Court Consultation Room, Room 102**, which is adjacent to the Supreme Court Chamber.
